

3M 1712 Feeder Tape

3M Brand Electron Tape for use in external waterproofing of feeder connections.

Physical Specification

Colour	Black
Size	50mm W x 10m L x 0.18mm T
Flame Retardancy	UL 510

Electrical Specification

Voltage Rate	< 600 V
Dialectric Strength	39.37 KV/mm
Insulation Resistance	>1 x 1012 Ohm

Mechanical Specification

Temperature	-40 - + 80°C
Breaking Strength	303 Kg/m
Breaking Elongation	200%
