

## 220W Solar Panel

220 W Solar Panel.

Polysrystalline Silicon cells.

Integrated unit pre-wired for immediate use.

### Electrical

Peak Power (W)	220W
Maximum Power Voltage (V)	36.6V
Maximum Power Current (A)	8.1A
Short Circuit Curretn (A)	7.34A
Open Circuit Voltage (V)	30V

### Physicall

Cell	Polycrystalline
Cell Layout	6x10
Dimensions	1655 x 992 x 45
Weight	22.5

### Environmental

Temperature Range	47±2â„ƒ
Short Circuit Coefficients	8.1A
Open Circuit Coefficients	36.6V
Peak Power Coefficients	220W
Power Tolerance	±5%

### Output

Cable	LAPP(4.0mm2)
Connection	MC Plug Type â€¦£

CostWORX is the leading wholesale distributor of telecom & technology infrastructure products, supplying globally through a network of local alliance partners.

#### Certification

CE Approved

UL Approved
