CostWORX is the leading wholesale distributor of telecom & technology infrastructure products, supplying globally through a network of local alliance partners.

25 W Termination Load

50 Ohm Termination Load for use in In-Building RF distribution Systems and general feeder line.

Physical Properties	
Length	56.5 mm
Width	80.0 mm
Height	44.0 mm
Finish	Black
Connector	N-Type
Opperating Temperature	-40~+65 °C

Electrical Properties	
Rating	50 â„¦
Freqency Range	DC-3000 MHz
Stationary wave	ℜ≤ 1.2
Power Rating	25 W
