

50 W Termination Load

50 Ohm Termination Load for use in In-Building RF distribution Systems and general feeder line.

Physical Properties

Length	56.5 mm
Width	80.0 mm
Height	80.0 mm
Finish	Black
Connector	N-Type
Operating Temperature	-40~+65 °C

Electrical Properties

Rating	50 â„š
Frequency Range	DC-3000 MHz
Stationary wave	Ŕ≤ 1.2
Power Rating	50 W
