

## 200 W Termination Load

50 Ohm Termination Load for use in In-Building RF distribution Systems and general feeder line.

### Physical Properties

Length	158.0	164.4 mm
Width		117.0 mm
Height		110.0 mm
Finish		Black
Connector		N-Type
Operating Temperature		-40~+65 °C

### Electrical Properties

Rating		50 Ω
Frequency Range		DC-3000 MHz
Stationary wave		V <sub>s</sub> ≤ 1.2
Power Rating		200 W
